Reporting the death of an LAFPP pensioner

General Manager's Message

Happy Holidays! May your New Year be filled with joy and prosperity!

We have some good news to report. The fund's rate of return for the Fiscal Year ending June 30, 2017 was 13.27% and our assets totaled \$20.64 billion! The double-digit return earned during this fiscal year was

led by LAFPP's strong performance in the domestic and international equity markets, which generated returns of 19.30% and 22.90% respectively.

This edition of *Pension Perspectives* has great information to help you prepare for the new year. The featured article highlights the new Medicare and dental subsidy rates for 2018. It is important for members who become eligible for Medicare to enroll to their fullest eligibility. This helps ensure that they continue to receive a health subsidy. As a courtesy, LAFPP will mail a letter to pensioners prior to their 65th birthday, reminding them to sign up for Medicare as early as three months prior to their birthday month.

If you reside outside of California, please read the article on state tax withholding. LAFPP will no longer offer out-of-state tax withholding effective January 1, 2018.

The LAFPP Staff welcomes the Los Angeles World Airport Peace Officers (LAWAP) to the System effective January 2018! In November 2016, Los Angeles voters passed ballot Measure SSS, which amended the Los Angeles City Charter to allow LAWAP new hires into the System. Please note the article on health plans available to retirees from Los Angeles World Airport and the Los Angeles Port Police.

As the year ends, I look forward to new opportunities to help keep members informed of their pension benefits. As always, if you have questions regarding your retirement benefits, please do not hesitate to contact us.

Respectfully,

A handwritten signature in black ink that reads "Ray Ciranna".

2018 Health & Dental Subsidy Updates *continued from page 1*

Member's Whole Years of Service	Maximum Medicare Health Subsidy*
20 or more	The lesser of: \$542.51 or 100% of the single-party premium of the participant's health plan.
15 - 19	The lesser of: \$488.26 or 90% of the single-party premium of the participant's health plan.
10 - 14	The lesser of: \$406.88 or 75% of the single-party premium of the participant's health plan.
Less than 10**	No subsidy; Tier 6 retirees see footnote below.

*If the member: (1) entered DROP or retired after July 14, 2011, and (2) did not opt in during the designated period to make the additional 2% pension contributions, the *Maximum Medicare Health Subsidy* is equal to the July 1, 2011 amount of \$480.41.

** Tier 6 members who retire on a service-connected disability pension with less than 10 years of service may qualify for a minimum health subsidy at age 55 if they are not eligible for a subsidy from any other source.

Qualified Survivor Non-Medicare Subsidy Benefit

The Qualified Surviving Spouse/Domestic Partner (QSS/QSDP) non-Medicare health subsidy maximum is increasing from \$826.43 to \$853.39 effective January 1, 2018. If you currently receive a (QSS/QSDP) pension payment from LAFPP, you are also eligible for a health subsidy if the following qualifications are met:

- You must be enrolled in a Board-approved health plan (one offered by Los Angeles Firemen's Relief Association (LAFRA), Los Angeles Police Relief Association (LAPRA), United Firefighters of Los Angeles City (UFLAC) or Fire & Police Pensions) or participate in the Health Insurance Premium Reimbursement Program.
- The sworn member had at least 10 years of service.
- The sworn member received, or was eligible to receive, a health subsidy at the time of death; otherwise, you will be eligible when the sworn member would have been 55 years old.

If you receive a survivorship benefit due to a purchase made by the retired member under the Survivor Benefit Purchase Program for Retirees, you are not eligible for a health subsidy.

Retired Member Dental Subsidy Benefit

The retired member dental subsidy maximum effective January 1, 2018 will remain at \$44.60 per month. Members may receive a subsidy of up to \$44.60 towards their Board-approved dental insurance premiums. Eligibility to receive a dental subsidy is also based on years of service. If you retired with 25 or more years of service, you may be eligible for the maximum dental subsidy amount. Eligible retired members with less than 25 years of service may receive 4% of the maximum dental subsidy for each whole year of service, not to exceed their single-party dental plan premium. Members must be at least 55 years of age and have a minimum of 10 whole years of service to qualify for this subsidy. Dependents and Qualified Survivors are not eligible to receive a dental subsidy.

It is recommended that you enroll in Medicare three months prior to your 65th birthday, to continue receiving a health subsidy. If you are entitled to both Medicare Parts A and B, you must enroll in both. If you will be charged a premium for Part A, then you are only required to enroll in Part B. If you become eligible for Medicare before turning age 65 (due to a disability), you must notify LAFPP.

You are eligible to enroll in Medicare three months prior to and after your 65th birthday month. You must enroll in Medicare to your fullest eligibility. If you do not sign up for Medicare to the extent of your eligibility by your 65th birthday, you will not receive an LAFPP health subsidy until you are fully enrolled. Please be aware that if you enroll after the recommended deadline, you may incur a late enrollment penalty,

delay your Medicare assignment, and forfeit any medical subsidy for the months your enrollment is overdue.

Note: If you are late signing up for Medicare Part B there are significant lifetime penalties. If you don't qualify for Part A free of charge, you will continue to receive the Non-Medicare subsidy if you qualify, and pay for Part B. To assist you in this process, LAFPP will send you information regarding Medicare enrollment three months prior to your 65th birthday month. You should also receive information from your plan administrator (e.g., LAFRA, LAPRA), health plan and/or the Department of Health and Human Services/Social Security. For additional information on Medicare, please visit their website at www.medicare.gov or contact Social Security at (800) 772-1213.

Questions? If you would like more information about LAFPP's Health and Dental Subsidy Program eligibility requirements, please contact the Medical & Dental Benefits Section at (213) 279-3115 or (844) 88-LAFPP ext. 93115. Information is also available in the Retired Members section at www.lafpp.com.

Retiree Health Plan Solutions

For Airport & Port Police Retirees Beginning in 2018

As we welcome the Los Angeles World Airport Peace Officers (LAWAP) as new members of LAFPP in 2018, we are able to confirm that health and dental plans will be available to their retirees through the Los Angeles Police Relief Association (LAPRA), Los Angeles Police Protective League (LAPPL), and United Firefighters of Los Angeles City (UFLAC). These plans will also be available to Los Angeles Port Police (LAPP) retirees. Through a collaborative effort that began more than a year ago, an agreement has been reached to allow retirees from both employer groups access to all of the health and dental plans available through LAPRA and UFLAC, as well as the dental plans provided by LAPPL, effective January 1, 2018. Currently those plan options are:

HEALTH PLANS

- Blue Cross PPO, HMO, Vivity Value, and HDHP
- Kaiser Permanente

DENTAL PLANS

- Anthem Blue Cross DPPO and DHMO
- Delta Dental PPO and HMO
- MetLife PPO, HMO, and Direct Reimbursement

LAPRA, LAPPL, and UFLAC provide many services to their membership; however, LAWAP and LAPP retirees will only have access to the health and dental plans outlined above, and will remain members of their respective labor or retiree organizations.

For more information, please contact the Medical & Dental Benefits Section at (213) 279-3115 or (844) 88-LAFPP, ext. 93115.

RETIREE HEALTH PLAN

Program Update

Over the course of the last year, the Board of Fire and Police Pension Commissioners (Board) has been discussing the retiree health plan program to ensure all retirees have access to suitable health coverage options, as well as secure health benefits in the future.

On March 31, 2017, the City Council adopted a change to the Los Angeles Administrative Code that in effect requires all sworn retirees to enroll in health or dental plans provided by LAFPP. These LAFPP-provided plans are currently administered by Los Angeles Firemen's Relief Association (LAFRA), Los Angeles Police

Relief Association (LAPRA), Los Angeles Police Protective League (LAPPL), and United Firefighters of Los Angeles City (UFLAC). Pensioners may also participate in LAFPP's Health Insurance Premium Reimbursement Program to qualify for a health insurance subsidy. Pensioners who were enrolled in a LACERS health plan prior to January 1, 2000, are grandfathered and may continue enrollment in their current LACERS plans.

In June 2017, the Board formed the Ad Hoc Committee on Retiree Health Plans (Committee) to evaluate the current health plan program, including health/dental plan options for Los Angeles Port Police and Los Angeles World Airport Peace Officers retiring, and determine if any substantial savings could be realized for the benefit of the Plan and its membership. The Committee is chaired by Commissioner Robert von Voigt and includes Board President Ruben Navarro and Commissioners Brian Pendleton and Pedram Salimpour, MD. One important goal of this forum is a commitment

to include stakeholders in the Committee's evaluation and deliberation processes. Since the first meeting of the Committee in August, representatives of LAFRA, LAPRA, UFLAC and LAPPL, have had the opportunity to share their concerns, expectations, and ideas in the Committee meeting.

In addition to ensuring sustainable health benefits, the Committee is currently focused on the subsidy program. The Committee has begun working with association and union stakeholders to better understand and improve the way subsidies are administered. At this point in time, no action has been made by the Committee to bring a recommendation to the Board. However, as the discussion surrounding the retiree health plan program evolves and is ongoing, we encourage you to visit www.lafpp.com for more information and periodic updates regarding outcomes from the Committee's meetings as well as any upcoming opportunities for member input.

notables for tax season

As you prepare to file your taxes, please note the following:

- **Form 1099-Rs for tax year 2017 will be available online beginning the week of January 22, 2018.**

You may view and print a copy of your 1099-R tax form by logging into the Northern Trust Benefit Payment Participant (BPP) Web Passport System at www.ntrs.com/bppweb. A link to BPP is also available from the *Retired* and *Qualified Survivors* pages of www.lafpp.com.
- **Form 1099-Rs will be mailed on January 31, 2018.**

If you prefer to wait for a hard copy of your 1099-R tax form, it will be sent to members via U.S. mail on January 31, 2018. If you have questions regarding Form 1099-R, please contact the Accounting Section at (213) 279-3040 or (844) 88-LAFPP, ext. 93040.
- **Some members may receive more than one 1099-R tax form in a year. Here are some of the possible reasons:**

 1. You exited DROP and received your monthly pension check in the same year (one 1099-R for DROP, one 1099-R for monthly pension payments).
 2. You have a non-tax dependent covered by

your health insurance plan (e.g., domestic partner or child of a domestic partner).

3. Your IRS tax distribution code changed during the year (when member attains 59½ years old by June of the same year).
4. You moved to a different state during the year.

- **Need to make changes to your income tax withholdings?**

Make them electronically using BPP Web Passport! Log in and click on the **Tax Elections** link from the **My Information** tab. Enter your elections and then click **Save**. You may also submit a completed "Income Tax Withholding Form" to the Retirement Services Section. The form may be downloaded from the *Retired* or *Qualified Survivors* pages of www.lafpp.com.

- **LAFPP retired members may claim the \$3,000 Healthcare Tax Exclusion.**

As a retired public safety officer, you may be able to exclude up to \$3,000 from your annual gross income for health, dental and long-term care insurance premiums that were deducted directly from your pension payments in 2017. These year-to-date amounts are reflected on your December 31, 2017 pension payment statement. Note that this exclusion is not available to Qualified Surviving Spouses/Domestic Partners.

For assistance with determining the total amount which may be eligible for exclusion, we recommend that you consult with your tax professional.

For questions, please contact the Retirement Services Section at (213) 279-3125 or (844) 88-LAFPP, ext. 93125.

STATE TAX WITHHOLDING FOR NON-CALIFORNIA RESIDENT MEMBERS

Effective January 1, 2018, pensioners who reside outside of California will have their State tax withholding changed automatically to “Do Not Withhold.” LAFPP is liable for tax withholding only in the state of California. Since LAFPP does not have an operating business presence in other states, we will no longer offer tax withholding for states other than California.

The affected non-California resident pensioners were sent a notification letter on September 29, 2017.

A follow up letter was sent out in December 2017.

This change means there will be no reporting of pension distributions or taxes withheld for the State portion of your 1099-R tax form beginning with your pension payment on January 31, 2018. Reporting for the Federal portion of the 1099-R will remain the same. **Those pensioners who withhold California state taxes will not be impacted by this change and will continue to have their state tax withholding reported on their 1099-R tax form.**

If you have any questions on how to make payment of taxes for your State of residence effective with the 2018 tax year, please consult with your personal tax advisor as early as possible before January 2018. LAFPP staff is unable to provide any tax advice.

If you have questions regarding this matter, please contact Retirement Services at (213) 279-3125 or toll-free at (844) 88-LAFPP, ext. 93125.

LAFPP IS 91.5%

Funded

For the Fiscal Year ending June 30, 2017, on an actuarial basis, LAFPP is 91.5% funded for pension benefits and 49.3% funded for health benefits, a decrease of 2.4% for pension benefits and an increase of 1.2% for health benefits. The combined funded status of pension and health benefits is 85.6%, a decrease of 1.8% from the previous year. An actuarial valuation is conducted once a year to determine whether the Plan's assets and the employer (which is the City) and member contributions are

sufficient to provide member benefits. A schedule of benefits, membership data and a set of actuarial assumptions (e.g., life expectancy, inflation, salary increases, etc.) are used to estimate the cost of benefits. The study also includes the calculation of the City's contribution rate for the next fiscal year. The City will contribute an amount equal to: 1) the employer's share of defined entry-age normal costs (designed to fund a member's total plan benefit over the course of his/her career);

2) the percentage necessary to amortize the "unfunded liability" of the System (the Plan's obligations in excess of the Plan's projected assets); and 3) the amount to provide for health plan subsidies. The aggregate employer contribution rate (the City and the Harbor Department combined) for FY 2018-19 is as follows (assumes payment is made on July 15, 2018):

Pension Benefits – 34.07% of sworn payroll, an increase of 2.34% from FY 2017-18

Health Benefits – 12.66% of sworn payroll, an increase of 0.25% from FY 2017-18

Based on the City and the Harbor Department's budgeted sworn payroll for FY 2017-18, the total employer contribution for FY 2018-19 is estimated to be \$677.57 million. The final contribution amount will be determined in late May 2018, when the budget is approved.

Making A Difficult Time a Bit Easier

Reporting the Death of an LAFPP Pensioner

When a family member passes away, tending to the arrangements can be stressful. When the death of an LAFPP pensioner occurs, it is necessary to contact LAFPP immediately.

Promptly reporting the death of a pensioner initiates the process of pension benefits for qualified survivors. Once LAFPP is notified, staff will process the documents to terminate the pension and direct deposit, if applicable. If there is a delay in reporting the death of a pensioner, any overpayment will be charged to the qualified survivor. If an overpayment is owed to LAFPP, payments may be made by:

- A lump sum amount, or
- Deducted from the survivor's pension check

Note: Overpayment may result in remitting more taxes than necessary to the Federal and State of California agencies, creating an additional burden for qualified survivors to rectify this problem with the Internal Revenue Service and the State Franchise Tax Board.

When an LAFPP Pensioner Dies:

1. Contact LAFPP Retirement Services Section at (213) 279-3125, or (844) 88-LAFPP, ext. 93125.
2. LAFPP will process the documents to terminate the pension and terminate direct deposit, if applicable.
3. If there is an eligible survivor, an *Application for Survivor Pension Benefits* will be mailed within 1-2 business days. This application is also available on our website at www.lafpp.com/forms/survivor-application.
4. The *Application for Survivor Pension Benefits* should be completed and returned with the following items (if applicable):
 - A certified copy of the member's death certificate (Note: It may take approximately 30-90 days to receive a death certificate from the county or other agency.)
 - A certified copy of the marriage certificate as proof of marriage to our member (or copy of the State Certificate of Registration of Domestic Partnership, if not already on file with LAFPP. A domestic partnership filed with LAFPP should already be on file with LAFPP.
 - Birth certificates for any minor children
 - Guardianship documents for minors
5. Once the Board of Fire and Police Pension Commissioners approves survivor benefits, the qualified survivor's pension should commence the following month. NOTE: *It will take approximately 30-60 days from receipt of all required documentation before the first payment is issued to the qualified survivor. The first payment is retroactive to the day following the member's date of death.*

When the Member's Survivor Dies:

Contact the Retirement Services Section at (213) 279-3125. The member's file will be updated.

MEMBER'S EXECUTOR OF ESTATE

If, as the pensioner, you have no survivors, please designate someone such as your attorney or the executor of your estate to notify LAFPP of your death.

In order to avoid any unnecessary hardship on your loved ones, please inform your survivors ahead of time of the importance of immediately notifying LAFPP of your death. To assist survivors of our LAFPP members, we recommend that

you take the time to review the *Survivor Benefits Handbook*. It describes in detail the benefits available and the steps survivors may follow to claim eligible benefits, available at www.lafpp.com/forms/survivor-benefits-handbook. If you have questions regarding reporting the death of an LAFPP Retired Member or Survivor Benefits, please contact the Retirement Services Section at (213) 279-3125, or (844) 88-LAFPP, ext. 93125.

Approximately 1,529 members participated in the survey (659 Active and 870 Retired). The total number of completed surveys received equates to a 6% sample size, which exceeded the target sample of 3%.

Surveyed members gave LAFPP an overall rating of 94%. Members were provided the opportunity to submit suggestions regarding:

- Topics for future newsletters
- Other features for MyLAFPP (our online member information portal)
- How LAFPP may better serve our members in general
- Improvements to the website

The suggestions by members included:

- Ability to self-update information online (contact information, beneficiaries)
- Calculators (health/dental subsidies, hazard pay)
- Ability to request dissolution of marriage estimates online
- Ability to submit more forms online and auto-fill forms
