Medical/dental

The earnings,

and adjustments

deductions,

are clearly

make the information easier to understand.

separated to

deductions reflect the "out of pocket" costs paid by you after your subsidy has been applied.

The entire premium amount is not displayed. To calculate your medical or dental premium, simply add the "out of pocket" deduction to the subsidy amount displayed in the new Subsidies Paid by LAFPP box.

Checks not cashed or deposited within 180 days will become "stale" and need to be re-issued by LAFPP

The Summary Table totals your deductions and adjustments, then adds/subtracts from the gross amount to provide the net payment amount.

The Subsidy Box displays the subsidy amount(s) paid by LAFPP.

The subsidy amount(s) listed does not increase the member's pension amount, it is listed for informational purposes only.
